The Egyptian-British Chamber of Commerce has the pleasure to invite you to our final pre-launch briefing on the new customs pre-registration system for export to Egypt 'Nafeza'.

This event will take place on:

Thursday the 23rd of September 2021 at 10:00 AM UK Time – UK Exporters – NAFEZA & CargoX

We will start by looking at the Nafeza platform and what the importer requires from the UK Exporter. We will look briefly at the Nafeza system and how the importer will create an ACID. They will then show all the documents required from a UK exporter.

The second part of the session we take a closer look at Nafeza's service provider CargoX. We will turn our attention to UK Exporters through a step-by-step guide of the platform from registration to submitting documents as well as problems encountered when using CargoX for the first time.
